BACK TO THE FUTURE

greenteQ

The Alpha lever door handles are now available in F3 gold anodised and F1 satin anodised finishes.

The long backplate lever pairs will be the first products to arrive in these exciting new colours.

This brings the number of Alpha door handle finishes to 12.

The clip-on aluminium internal cover plate conceals the heads of the M6 fixing bolts for a seamless finish.

The handle is supplied with fixings to suit doors from 44 – 72mm.

As with all Alpha handles, a flange around the inside of the cylinder cut-out eliminates any gaps if the cylinder sits slightly beneath the face of the handle backplate. Handles in the new finishes are covered by the comprehensive Q-secure consumer security guarantee, when fitted with a greenteQ Orion 3 star profile cylinder.

greenteQ ORION

THE 3 STAR PROFILE CYLINDER

WITH THE

proteQ10 £2000

GUARANTEE

VBH will pay the homeowner direct if Orion snaps to allow a successful break in.

proteQ10
proteQ10 Key Security Scheme / Guarantee
Register your new greenteQ Orion cylinder lock for its 10 year performance warranty and proteQ10 Key Security Scheme within 28 days of purchase.
proteQ10 allows you to set your own password (known only to you), meaning keys can only be cut or purchased when the password is given, adding an extra layer of security.
When you register for proteQ10, you also receive an Anti-Snap guarantee. If your lock is broken as a direct result of the lock snapping within 10 years of purchasing your Orion lock, we will pay you £2000, subject to terms and conditions.

Part of the greenteQ
Profile Cylinder Family

INNOVATION
without limits ■

GIVE YOUR DOORS THE 3 STAR TREATMENT WITH OUR TOP OF THE RANGE PROFILE CYLINDER.

The greenteQ Orion TS007 3 Star Profile Cylinder provides the ultimate protection against picking, drilling, bumping and snapping. Security is further guaranteed with the proteQ10 £2000 anti-snap guarantee and Key Security Scheme; it takes just a minute to register both online.

Each cylinder comes with five dimple keys as standard.

Orion is covered by Hardware Kitemark KM727991 and is a Q-secure PREMIUM product.

KEY SECURITY

Registered keys can only be cut when a pre-set password is given - another layer of peace of mind.

**MORE THAN ONE DOOR?
NO PROBLEM!**

Bespoke keyed alike suites mix finishes & sizes for all door types - all on one key!

Lockmaster Key Turn Lock Yale

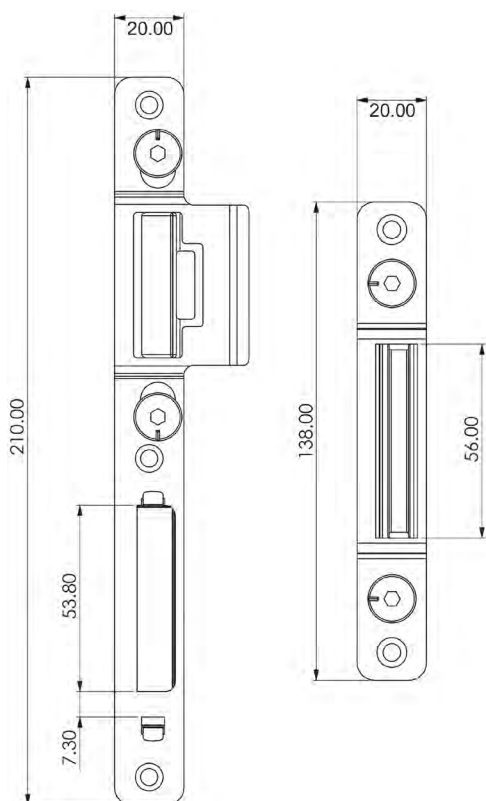

KTA Key Turn Lock

Latch, deadbolt and 2 x tapered hook & linear bolt combination points
 Perfect for composite doors fitted with a pull bar or fixed knob
 Provides compression when closing - perfect for exposed installations
 Held on latch when door closes - combats 'follow-in crime'
 Main locking points engage and disengage by turning the profile cylinder's key
 20mm faceplate with radius ends
 Classic and 'Heritage' high level cylinder variants
 Tested to BS EN 1670 Grade 4 (240 hours NSS)
 Yale 1-year surface guarantee
 Covered by the Yale 10-year mechanical guarantee
