

GREENTEQ SUITE GUARANTEE

VBH (GB) Ltd – Our Promise:

VBH has every confidence that the furniture items within the greenteQ Suite are more than 'fit for purpose'. We know that they will delight in terms of both appearance and performance.

VBH guarantees the finish of all items of the greenteQ Suite for 20 years from the date of purchase.*

In addition, VBH guarantees the mechanical performance of greenteQ Suite items for 10 years from the date of purchase.*

greenteQ products are designed in the UK with installation in mainland Great Britain in mind. They conform to a multitude of standards, including BS and EN where applicable. Quality checks are built into the manufacturing process to ensure that greenteQ products are the benchmark standard for quality.

The 20-year surface guarantee and 10-year performance guarantee are provided subject to the product being fitted and maintained in accordance with VBH instructions found at www.greenteqguarantee.co.uk, and are not subject to stresses and operating forces beyond reasonably accepted normal levels.

In the unlikely event that an item of greenteQ Suite furniture fails within the guarantee period as a result of defective manufacture or design, VBH promise to replace it free of charge or reimburse the cost.*

To qualify for the guarantee, all furniture items must be registered by the consumer at www.greenteqguarantee.co.uk within 28 days of purchase.

Full terms and conditions, along with maintenance instructions can be found at this website.

The guarantee does not affect your statutory rights.

*See www.greenteqguarantee for terms and conditions.
